## Picnicking

We love picnicking together  
Go to Sai Kung and eat seafood  
Eat dessert and chat too

We love picnicking together  
Go to Lamma Island and swim  
Do shopping and play too

I love my friends  
Wish we are friends forever

## Whenever...Wherever

We're friends forever  
Study at school together  
When there's good news, I share with you first  
When there's bad news, I hope you can listen  
When I have difficulties in my homework  
I'm worried and say, 'May I ask you?'  
You smile and say, 'Yes, of course!'  
When you cry, I'll cheer you up  
You smile, I smile  
Whenever you cry for help  
I'll be there  
We're friends forever

## My friend, Matthew

Matthew likes playing basketball and so do I  
 I play basketball with him  
 He plays poorly  
 We always lose  
 He should practise more  
 Or we always lose  
 We enjoy the game after all

## Friends

I run slowly  
 You run fast  
 You could be the champion  
 but you're now waiting for me  
 I like reading  
 and you always share your books with me  
 It is my happy time to read with you  
 You are my sister and also my mother  
 My favourite place is where you are

## My Friend – Jerry

My best friend is Jerry  
 He always eats blueberries  
 The basketball is round  
 We play it in the playground  
 We make fried rice together  
 He gets E in class  
 We read in the library  
 He always fails to find his favourite books  
 Yet I'm proud of him  
 Our friendship will never end
